ED'S LETTER

club DVD 7.4

Many is the time we've bumped into models and porn stars and been lost for words. We don't want to blow it with our first sentence. Which is why we're sharing our hard-earned experience with our guide to Porn Fan Etiquette (page 12). Elsewhere, it's business as usual – hot girls, set reports, reviews and the first part of a great exclusive interview with Dan O'Connell, head honcho of rising porn label Girlfriends Films. We've got more of him and his girls next issue...

SMOO NEWS

FROM THE WEIRD WIDE WORLD...

TO STOP THE WAR MACHINE

WOMEN: WANKERS!

It's official – women are wankers too! A new book, *With The Hand: A History of Masturbation* by Mels van Driel, a Dutch sexologist, uncovers the fact that 50 per cent of Danish women had masturbated at work (compared with our conservative estimate of 100 per cent of men – I'm actually knocking one out as I write this) and 20 per cent of US women over 70 still give themselves a good seeing-to, no doubt using 20 per cent of the world's KY Jelly reserves. A female taboo is finally being broken down, opines van Driel, indicators of which can be seen in the release of star-studded dildo flick *Hysteria*, Naomi Wolf's *Vagina* book and right-on but sexy website *masturbateforpeace.com*

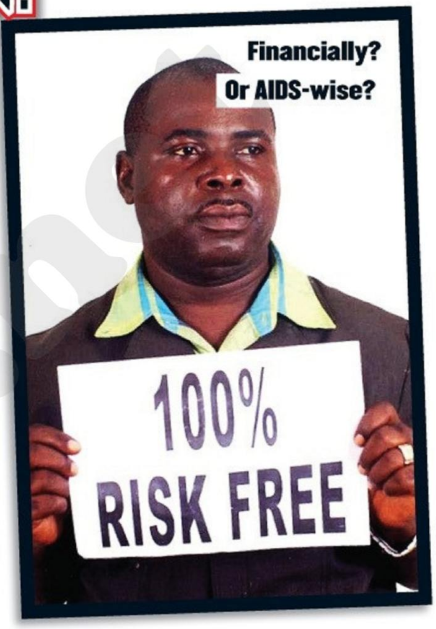
KNICKERS NICKED!

We've nothing against the ripe smell of a *Club DVD* model's slightly worn-in knickers, and many is the time a girl has looked in vain for her snazzy smalls after a shoot with us. (We nick them when they're playing with their pussies and all hot and bothered. Ssshh.) But our noses might not take a pair of lived-in knickers in hot and sticky Zimbabwe. Its government has just banned the sale of used underwear, a minister saying it was a health risk and beneath the dignity of its citizens to buy its smalls from flea markets.

Three pairs a pound!

THAI'D DOWN!

Thailand tops the world in the infidelity charts, according to a survey by Durex, with 54 per cent of men admitting to being unfaithful to their spouses. South Korea and Malaysia took second and third place, scotching the suggestion that randy European expats bumped up the Thai rate, and suggesting South East Asian men in general have a lower tolerance for nagging, bedtime headaches and tut-tutting about their boozing than the rest of us. Nigerian women were the most likely to cheat on their men, with 62 per cent playing away from home, presumably while their menfolk are busy sending bank scam emails to the rest of the world.



Financially? Or AIDS-wise?

GEEKS CORNER! WITH JOEL

This month Geeks Corner microwaves both the sweet and the salted popcorn as we check out some upcoming DVD releases from Studio Canal! First up is brutal cop thriller *Rampart* – penned by *L.A. Confidential*'s James Ellroy, this bleak tale set against the backdrop of the real life Los Angeles police scandal centres on Woody Harrelson's corrupt cop Dave Brown.

Brown's life slowly spirals out of control following the filming of him beating a suspect. Soon his family have disowned him, he's robbing gangsters to pay debts and is running out of people to trust just as the DA closes in! With a stellar cast including Sigourney Weaver and Steve Buscemi, this is a bleak modern noir in the vein of *The Shield* and *The Wire*.

Our second film this month is something far sweeter but also devolves into chaos – Roman Polanski's *Carnage* stars Jodie Foster, Kate Winslet and John C. Reilly playing the parents of a bully and his victim who decide to have a civilized meeting of reconciliation to solve their children's issues as adults. But soon this congenial meeting devolves into grotesque farce as the two sets of parents first turn on each other and then on their own partners with hilarious results that gleaned nominations for both female leads at the last Golden Globe Awards! Both of these DVD's are perfect for that post pub watch during the summer Jubilee!

Dear Club DVD,
That Brooklyn Lee's a strange one [*Club DVD* 7.3] – for a start she lists feta cheese as being one of the best things about doing a 13-day porno fuckfest aboard a cruise ship in the middle of the Med! Feta cheese, for fuck's sake! Then she starts talking about herself in the third person (which I fucking hate), then says she scares her co-stars with her sexual intensity, and she says she'll do anything on film but then says she won't do creampies, before finally going on to liken DPs to skydiving! What is up with this chick? Has all that dick gone to her brain, do you think, or what? Plus, in some photos she looks like Cindy Hope or some Czech bird, then in others she's got a right horse face on her! But then, I did still have a massive wank over her interview, so I guess she can't have been that bad, eh?
Danno, Essex

Err, no. we mean, yes. Hmmm. We kind of know what you mean, Danno, although we don't really care what comes out of her mouth, as Brooklyn is one of the hottest girls of the moment. That's not to say what she says doesn't matter, it's just that whenever we see those fuck-me eyes and blowjob lips everything else pales into insignificance!

Alright Club DVD?
Just one thing that's been bothering me about your mag for a while – why are all the gadgets you review on your gadget review page so expensive? I'd need another three salaries to be able to afford all the stuff you have on there! Why don't you show some cheap bits, too?
Andy, Lanarkshire

Hmmm, do we look like a cheap magazine, Andy? Do our girls look cheap? Do you want them to look cheap? No, of course not, or you'd buy another magazine, such as *Escort* or *Razzle*. Our gadgets, like our babes, are of the highest quality; the stuff dreams are made of; fantasies, if you will; almost unobtainable but not quite. You, too, could buy yourself the latest iPad or that ridiculously expensive surround sound system, and you could also pull a girl like Sasha. Yes, really.

Dear Club DVD,
Thank you, thank you, thank you, thank you, thank you!!!!!!! [*There is never an excuse for that many exclamation marks – The Ed*] I'm Terri Summers' biggest fan in Britain and I can't believe you interviewed her! Do you know how lucky you are, you bastards? She's still the sexiest woman alive – she actually gets better with age – and it's so nice to know what she's been up to and how I can get in touch with her. I didn't realise she had a blog, so I've spent the last week (since I got my copy of the mag) catching up with what she's been doing. I'm so excited that she's going to update her website and shoot some new photos for it, and that she's planning to start doing a webcam again! That's the best news I've had all year! If you speak to her again, tell her she's amazing! Thanks again for a fantastic interview, and keep up the great work!
Stan, Lutterworth

Ah, you're very welcome, Stan, and thank you for your nice letter. Terri is a firm favourite here at Paul Raymond Towers and has been since we first met her way back in 2000, or thereabouts! She is, and always has been, one of the nicest girls in porn. We needed no excuse to interview the hot mama, but it's nice to know that our readers enjoyed it as much as we did! We will, indeed, tell Terri that she's amazing, but as we've been telling her that very thing for years, we're not sure she'll take much notice!

Stain The Deck – Variety is the spice of life, right? That's what I tell my missus every time I stain the deck, because really, apart from the view, there's no other logical reason for it (and she moans like hell about the clean-up). Usually done in doggy-stylee, it simply means to pull out before you jizz inside her and instead splosh your spluge all over her back, porno-style. Obvs, innit?

Staple Gun – The staple gun, as with most Tossary words, firstly requires you to have a compliant (and understanding) partner. Once you've found yourself one of them, you're set. Get her (or him) to give you head, then, just as you're about to pop your load, pull away, poke her in both eyes and jizz all over her face. We don't have a fucking clue as to why it's called a 'staple gun' – answers on a postcard, please.

Ladyboner – A.K.A. the wide-on, a ladyboner – as the name suggests – is the female equivalent of a hard-on, stiffy or a plain old boner.

Trailblazer – If you're into your anal sex, make sure you have a bottle of hot pepper or chilli sauce to hand next time you're in the process of leading up to the act, then just before you're about to sodomise your 'lucky' friend, spread some of the sauce over your tool. I'm sure we don't have to say anymore, although we would advise not to use anything containing scotch bonnets or habaneros, which are less likely to give you a ring-stinger than internal third degree burns. You have been warned.

Apistia – You won't catch us committing apistia, mainly because we're not stupid enough to get tied down! Apistia, as you may have detected already, means to fuck around on your spouse and thus to be a bit of a cunt.

RAC – Nothing to do with the breakdown service (and other breakdown services are available), RAC is widely known in the jizz biz as being an acronym for reverse anal cowgirl. To understand this you must first know what the cowgirl is, which we assume most of you do, but as there's always one; the cowgirl position consists of the female (hence cowgirl, not cowboy) being on top, facing his top half and riding his cock with her pussy. Now reverse the cowgirl, so she's facing his feet and change the vag-fucking to ass-pounding and there you have it… RAC!

Golden Screw – A variation on the golden shower (and if we have to explain that one, we give up!), the golden screw simply means to piss inside your bird during sex. Lovely.

Choreophilia – We can imagine this sort of thing going on in the 'free love' days of the 60s and 70s, but we don't know anyone who can dance until they literally orgasm from the act of dancing itself. Or at least, we don't think we do. But now we think about it, there is this one guy on the first floor who never dances at the office parties – not since Sandy from accounts grabbed him for a slow dance a couple of Christmases ago and he actually came in his pants…

OMFS – Another bit of porno terminology here, OMFS stands for open mouth facial with swallowing, something which we believe should become the law in every relationship. Sexist? Us? Nah…

Analinctus – Although this sounds like an ointment for the morning-after a trailblazer session, it describes rimming – or licking an arse, if you will, and is also known as analingus.

Flaming Amazon – To try out a flaming Amazon, you'll need to pull a woman with a hairy twat and then you need to persuade her to have sex with you. If you've managed that, you're not only way ahead of most of our office staff, but you are also ready to give it a go. You'll probably only be able to ever try this once (with the same chick, anyway), so make it count. Shag her in missionary till you feel ready to blow, then quickly grab a lighter and set fire to her pubes before using your man-hose to extinguish the flames. Just don't count on being called a hero for 'saving her life'. Trust us.

*We had to give you a reason to spend time doing our very educational wordsearch, and here it is! **Find the term listed that is not included in the grid, and you could win some porno prizes!** Send your answer to *Club DVD* Wordsearch, PRP, 3rd Floor, 207 Old Street, London, EC1V 9NR. Competition ends on 26th July 2012, and the first name to be pulled out of the hat wins a goodie bag!

STRIPTEASER

We rather stupidly left it until deadline day to try and get hold of Sam for an interview, by which time it turned out she was on holiday in Greece and couldn't be reached.

So, as we can't speak to the girl herself, we can only draw conclusions based on the photos themselves. So we assume Sam works in a pumphouse, in charge of valves and such, and it's so hot in there that she has to work in her underwear, which she takes off when the temperature soars. Sounds pretty accurate, right?

PORN FAN ETIQUETTE

IT GOES WITHOUT SAYING, THE ONLY THING THAT PORN STARS LOVE MORE THAN HAVING SEX WITH THE MOST DESIRABLE PEOPLE IN THE WORLD IS THEIR BELOVED FANS. ALTHOUGH HAVING SEX FOR A LIVING IS INCREDIBLE FOR THESE KINKY KITTENS, IT'S INEVITABLE THAT SOME FANS GET LOST IN THE FANTASY THAT PORN STARS EMBODY, AND FORGET THAT THEY ARE REAL PEOPLE WHEN THEY MEET THEM IN PERSON. ALTHOUGH MOST FANS SHOW THE UTMOST RESPECT FOR THEIR FAVOURITE STARLETS, A SMALL PERCENTAGE ALLOW THEIR NAUGHTY THOUGHTS TO RUN WILD WHEN MEETING THEM IN PERSON, OR WHEN COMMUNICATING WITH THEM THROUGH SOCIAL NETWORKING. SOMETIMES, THE LACK OF MANNERS MAY RESULTS IN A STRING OF BAD BEHAVIOUR, OR A LACK OF CONNECTION BETWEEN YOU AND THE PERFORMER OF YOUR DREAMS...

With the various porn awards, feature dancing tours, and erotic conventions running year round, the next time you meet your porn princesses in the flesh, or through cyber space, try to abide by these five simple rules. They will ensure that the time you spend with your favourite tarts is memorable and enjoyable for the both of you. Hey, if all goes right, you may end up on the receiving end of some scrumptious porn star slit. So for now, keep your hands at your sides, and pop a breath mint in your mouth. We're about to teach you the do's and don'ts of proper porn fan etiquette, *Club DVD* style!

Rule #1

When emailing or talking with porn stars, please don't tell them how much you want to split their slit or fuck them up the arse. We know it's hard, but try to be a good boy. Although having hardcore sex is what they do for a living, words like that may be too explicit and offensive for some stars to endure. On the contrary, there are the rare few who may love to hear about the adventures of your mega wang. But, just to be on the safe side, it's better to air on the side of casual sophistication. Sometimes, thoughts as intimate as those are better left unsaid. Perhaps flirtatious eye contact would convey a much sexier message to your beloved.

Besides, that's what porn movies are for, living out your fantasies on the big screen, and in the privacy of your home, alone or with a sexy playmate. Instead, how about telling your favourite stars how much you love their movies or what a great job they did in a particular scene. Words of praise will earn their affection, a great big hug, and will possibly keep you corresponding longer than the dirty mouth that surely has been sent packing!

Rule #2

Although porn stars love corresponding with their fans, please don't take offence if they can't answer every email or message, or worse, send them mean messages due to their lack of response. With incredibly demanding schedules, many don't have the necessary time to accommodate every request.

"FAN CONNECTION IS IMPORTANT. TRUST US, THEY WILL GET UP CLOSE WITH FANS"

Fortunately now, with the advent of fun social networking sites, such as Twitter and Facebook, porn stars are able to reach out to a wide range of fans and followers on a regular basis by sending naughty messages and erotic images of them behind the scenes. Moreover, if they're busy answering the hundreds of emails they receive on a daily basis, then who is making the movies you love so much?

Remember, they are very busy ladies who also have friends and family to consider, not to mention alone time to recharge their batteries and keep themselves in pristine condition, just for you. Besides, most starlets have their own official websites, whereby they reserve special time to talk with their fans and put on sexy, live shows. Ideally speaking, their websites are the perfect place to learn virtually everything you've ever wanted to know about them. Why not spend time reading through fun facts, while staring at the hundreds of gorgeous, explicit pictures of them taking showers with their equally hot friends? Or better yet, why not salivate over them in the glossy pages of *Club DVD*? Come on, it's really a no-brainer when you think of it that way!

Rule #3

When they are performing their delicious hot fudge sundae routine, or other routines on stage, please do not take advantage of them while they are frosting their cupcakes with cream. Since fan participation and connection is hugely important to them, trust us, they will get up close and very personal with their fans, often inviting a lucky fucker or two to come up with them onstage. As is the case in Ann Marie Rios' infamous matador show: "People seem to really enjoy my matador show. I wear a hat like a bull and this allows me to work with the crowd. I select people to wear my hat, and have them come on stage. They run around with me and try to get my cape. It's a cool show, but the bull never wins. That's always fun."

We know that the energy is electric, your balls are tight, and all of your blood is rushing to your cock, but this still doesn't give you the right to grab their arses or their tits, unless they personally direct your hands onto their goodies. Remember, they are real women and those yummy cupcakes are attached!

And also, just because one particular porn star allows her fans to grope her onstage, doesn't necessarily mean that all stars will allow the same treatment. Besides, have you ever seen the six-inch heels they dance in? It's hard enough for them to perform their scintillating shows on the slick stage floors, without the worry and added pressure of swatting unwanted hands. Instead, if you're a good boy, you'll likely be awarded with on open leg money shot, personal attention you won't soon forget, or perhaps a signed movie or autographed panties!

Rule #4

If by chance you happen to run into a porn star on the streets, it is perfectly fine to walk up to them and politely introduce yourself. Porn stars greatly adore and appreciate their fans and may have no problems taking a picture with you. But, if you see that they are with their family members, or younger people, please maintain your distance. You may smile and acknowledge them from afar, but please stay mindful of their personal relationships and space. Although their profession is quite public, some prefer keeping their private lives private. It is no offence to you, but is simply their way of separating their worlds and living a normal life. You can understand that, right?

> **"THEY RESERVE SPECIAL TIME TO TALK WITH THEIR FANS AND PUT ON SEXY SHOWS"**

Rule #5

Before you meet your favourite girl in person, make sure you're clean and presentable. This doesn't mean that they expect you to come in your finest Italian suit, or wear a tie when you are clearly a jeans and T-shirt kind of guy. What they would appreciate is that you take a shower, use deodorant, pop in a couple of breath mints, and maybe even splash on a little of your 'come hither' cologne. If this is your first time meeting your beloved goddess, wouldn't you rather that she remembers your impressive manners and effortless style, rather than your spicy burrito breath and stinky pits? Yeah, we thought so. And most importantly, always be yourself! Truly, there is nothing sexier for a woman than a man who is genuinely confident, can captivate a room with his incredible smile, has a winning personality, and uses sensible manners. Trust us, that type of man gets noticed and gains their attention... every time!

With these five simple rules under your belt, it's time for you to go out and impress your most wanked over sex sirens. If you promise to abide by the Porn Fan Etiquette rule guide, we'll promise that your favourite girls will continue performing in the hot, hardcore films that you love so much. With that said, it's time to go out there and meet those stars. What are you waiting for? She's ready for you!

Alanah Rae

"Please approach me as you would anyone you meet on the street. If you're acting uncomfortable around me, then it's going to make me feel uncomfortable around you."

Sarah Vandella

"If I'm at a signing or at a show, please come up to me, shake my hand, and tell me your name. Hit me up. I'm waiting for you!"

Eva Angelina

"Just be normal. If you just act normal, I'll probably end up fucking you."

Courtney Cummz

"I call my fans babies, I'd like to say, 'I love all my babies! I'm so grateful to you!'"

Jesse Jane

"My fans are important to me and I love them. So continue to look out for me 'cos I'm not going anywhere. I'm having too much fun and plan on staying put for a while."

Nikki Benz

"I have great fans, and a few creepy ones who steal my panties from the stage when I dance. I don't like that. Stealing sucks!"

Mallory Rae Murphy

"Be yourself. I think I may be throwing off this bitch vibe. This isn't the case. I'm a sweet girl. Come talk with me, you'll see."

Shyla Stylez

"I once met this guy who later confessed that he knew who I was. So my answer to your question is yes, I have fucked a fan."

Sophie Dee

“Thank you for all your continued support and for following my career. I love you all and hope you keep watching me. Believe me, there’s much more to cum!”

Alektra Blue

“Don’t be afraid to experiment and bring me into your bedroom every once in a while. Thanks for all of your support. You all rock!”

Jayden Jaymes

“Thank you to all of the fans that continue to support pornography. And to the assholes that download it for free... FUCK YOU!”

Allie Haze

“Since performers are fans of porn, I suppose I’ve fucked a fan. But, in an effort to stay mysterious, I’ll wink and say ‘no comment!’”

BiBi Jones

“My fans should be friendly with me, and most importantly, they should just be themselves. I’m very approachable and happy to meet all of them.”

Kagney Linn Karter

“Oh yes! I’ve had sex with lots of fans. I’ve fucked quite a few fans, actually.”

Lexi Swallow

“I greatly believe in sentiment. I once received a card from a fan. The thought behind it was incredible. I loved that gift.”

Alexis Texas

“I once had a fan give me some dirt from my hometown. He told me to always remember my roots. I thought it was a sweet gesture.”

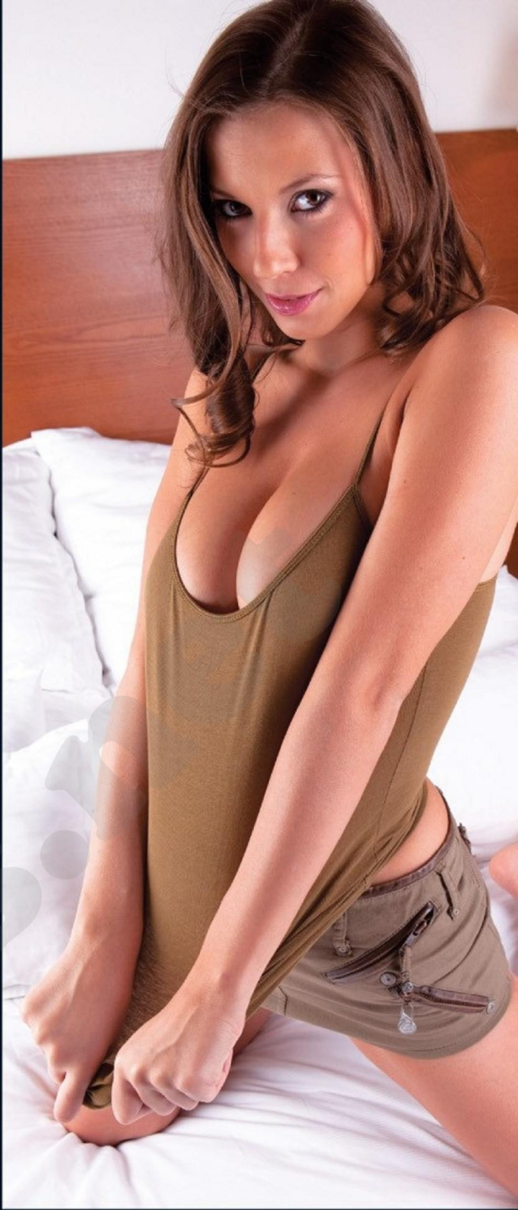
MONIKA



Czech temptress Monika is back in *Club DVD* after sending us a red hot video we had to include on this month's disc.

"I hadn't been in the mag for a while, so I thought rather than wait, I'd send you a reminder."

Oh, we didn't need reminding, Monika, you're always in our minds.

"If that's the case, let's not leave it so long in future. I only make those videos for you boys, no-one else gets to see me play with my pussy and rub my tits."

Monika, we apologise. Readers, we apologise. We won't let this happen again...

MARIE

Marie has many charming features, but we can't help but be drawn to two of the 21-year-old's most prominent ones. Seems like we're not the only ones attracted to that rack.

"I wish my pussy got as much attention," sighs Marie. "But no, guys have to go straight for the tits. They want to suck them, they want to fuck them, they want to cum on them. And while that's nice, I wish my pussy and arse got the same kind of love."

Oh, don't worry Marie. If the nasty men are neglecting your juicy pussy and tempting arse, we'll take care of them for you...

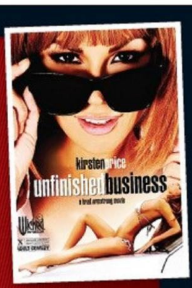
No, you really aren't Tom Cruise!

Unfinished Business

Starring: Kirsten Price, Alektra Blue, Amia Miley, Asa Akira, Aubrey Addams, Madison Ivy, Misty Stone, Vicki Chase, Bill Bailey, Chris Johnson, Dane Cross, Danny Mountain, Kris Slater, Randy Spears, Seth Gamble, TJ Cummings.

Directed By: Brad Armstrong.

Available From: Wicked Pictures.



Loosely based on the 80's cult classic that helped make Tom Cruise a household name, director extraordinaire Brad Armstrong has expertly reworked this tantalising tale about a college boy who strikes up an unconventional friendship and business partnership with a high-priced call girl in *Unfinished Business*, his new feature for Wicked Pictures. Vamping it up to make it more viable for the 21st Century, Armstrong has added scorching sex scenes, a further developed storyline that allows his sexually expressive characters to run wild across his script and plenty of hot college sex. Bringing you back to the good ol' days of crammed study sessions, kegger parties and college cuties in pleated skirts, are you ready to be schooled by trained professionals? Just nod your head yes. Here we go!

In this rendition of the popular story, Kris Slater is at the tail end of his college career. A life changing mid-term examination awaits him, offering him either a lifetime of monetary success or monumental failure, which may lead to his parents pulling him out of school early if he fails to succeed. What is a boy to do? Keep sleeping!

Lost in a seductive dream world, Kris Slater slowly walks into Amia Miley's bedroom. Watching her peacefully resting across her frilly sheets, she lowers the covers down to reveal a polka dot nighty and newly enhanced tits that barely fit inside the girly fabric. Without a single word spoken between them, she smiles and spirals her long pigtails around her palms like ropes, seductively calling him into action with her forefinger.

Crawling across her bed, he lifts the nighty over her head and wraps his lips around her puffy nipples. Instantly, they spring up with excitement as he connects. Thrusting her head back, as her raven hair sweeps her slender ass, she sighs, "I've been waiting for you." Moving his way up her praline-coloured curves, Kris locks lips with his Latina dream angel, biting on the pink arch of her full pout. As traces of her warm saliva welcome his nocturnal booty call with dampened goodness, Amia spreads her legs and is eager to take things to the next level.

> "SHE FALLS TO HER KNEES TO LICK UP THE FRUITS OF HER LABOUR FROM HIS CUM-SOAKED COCK"

Falling into position between the wet folds of her labia, Kris easily slips his cock inside her pussy in a sexy missionary arrangement. Filling with goose

pimples from head to toe, Amia slowly begins rocking her hips, working up their sultry hardcore with a rhythmic crescendo that leaves Armstrong at the edge of his seat. "Do you like me?" she teases, as Kris locks his hands against the ridges of her protruding pelvic bone and really nails into her.

Once she's orgasmed, Amia is eager for another ride on the O-train express. Jumping on top of his lap in cowgirl position, Amia instantly knows what she needs to do in order to spew. Bucking her body back and forth, she climaxes in a matter of moments, later falling to her knees to lick up the fruits of her labour from his cum-soaked cock. As Kris pulls out and splatters his freshly squeezed jizz across her stomach, his alarm rings. Awakening in a total panic, he realises that he is two hours late for class. With only 3 minutes left to finish the gruelling examination, Kris is shit out of luck!

> **"HIS CONSTANT POUNDING COAXES THE CLIMAX RIGHT OUT OF HER LIKE LIGHTNING"**

As he sulks back to his dorm room, with his tail between his legs, he gets a surprise phone call from Kirsten Price, a professional call girl and his former best friend. "Long time no see. Shall I come up for a visit? I'll bring some friends," she smiles, eager to get her hands on Kris' college boy cock and the rest of the student body. "Sure, but no shenanigans," he insists, although he knows deep down inside that his plea has completely fallen on deaf ears.

A few nights later, as Kris is hosting his weekly poker game with his dorm mates, the doorbell rings. In walks Kirsten Price, Alektra Blue and Misty Stone. All looking ravishingly gorgeous with stellar make-up and sexy dresses, the horny co-eds practically foam at their mouths when they get a look at these beauties. "Poker, I love poker. How about a game of strip poker?" Alektra immediately belts out, as the boner bulges from the men can almost be heard ripping holes through their pants. An all around, "Hells yeah!" ensues, as the actual game of poker seems to fall by the wayside in lieu of sex.

Rushing to get her mouth wrapped around TJ Cummings' cock first, Alektra falls to her knees and begins to blow, strumming his schoolboy sack like a harp. On the other side of the table, Misty is bent over in standing doggie, funneling her way down Seth Gamble's gavel as Dane Cross slaps his cock inside her dark chocolate centre. "Fuck, you're hot!" Dane mouths, securing his hands around her mocha coloured hips in an effort to take her in a few inches deeper. Fucking back with force, Dane succeeds in bringing Misty to orgasm when his constant pounding coaxes the climax right out of her like lightning.

Meanwhile, Kirsten Price has led Kris Slater back to his room. In an effort to make up for lost time, she lies on the bed and secures her mouth around his cock. Sucking

with expressive intensity, she keeps her eyes locked on his as she goes down... balls deep! With her new strawberry blonde locks swaying, Kris gets lost in her beauty, cupping his hands around her jaw to watch her mouth fill up with his meat.

"Keep your eyes on me," he insists, spreading her legs open to sample the naughty nectar that has pooled up around her pussy. Spiraling her hips around his face, Kirsten licks her lips and watches him eat around the smooth edges of her twat. For good measure, she even smashes her clit ring against his teeth, causing an audible clanking sound that is heard throughout the room. "Naughty bitch," Kris teases, replacing his mouth with several inches of his skin stick.

Later taking the reins in reverse cowgirl, Kirsten plays up her seductive moves to the camera. Licking her lips and milling her perfect C-cup tits in her palms like pizza dough, Kirsten goes for the gold medal. With Kris whimpering underneath her, pounding his cock into her like a jackhammer, and her pussy spewing liquid like a leaky faucet, this pair really knows how to deliver the goods.

Back at the strip poker game, Seth Gamble is laying into Alektra in a standing doggie arrangement, while TJ Cummings is holding Misty open at the ankles to tap her black hole in mish. All leading up to explosive pop shots, the girls swap cum from mouth to mouth as their way of finishing things off in style.

As Kris and Kirsten decide to go back into business together, calling their erotic interludes with Kirsten's band of horny hookers, 'tutoring sessions', word of their sexy services spreads around campus like wildfire. Now fielding requests from jocks to geeks and from stoners to instructors, everybody is eager to get their hands on Kris and Kirsten's higher form of sexual education.

Suspicious about the 'tutoring session' that he's

"SHE KEEPS HER EYES LOCKED ON HIS AS SHE GOES BALLS DEEP. HER MOUTH FILLS WITH MEAT"

I knew I should have gone to Hull Polytechnic!

been hearing so much about, the Dean of Students, Randy Spears, talks to Kris about the legitimacy of the service he is providing to the student body and the professionalism of the tutors he is employing. Still not convinced about their legitimacy, Randy sets up a private meeting with the 'tutors' to personally assess their academic qualifications. In walk Kirsten Price and Asa Akira! Looking like pristine playthings in pleated skirts, crisp collegiate skirts and knee-high socks, the girls are ready to gather sexual collateral for Kris, just in case their business dealings go awry and Kris' academic future hangs in the balance.

Sitting on the edge of his stately desk, Kirsten bends toward the drooling Dean and shows him glimpses of her porn star tits. "If I didn't know any better, I'd say you were flirting with us," Kirsten purrs, licking her cherry coloured lips. Now salivating, the sexually neglected educator lunges toward the strawberry blonde tart, aiming his mouth for her tits. Pulling her out of her blouse, Randy secures her spongy nipples against his tongue as Asa rounds his desk and begins shimmying him out of his trousers. "Let's just say I have a love of education!" Randy boasts, plopping his cock between her Asian cheeks for a suck and blow session. "Especially the hard subjects," she teases, slurping on his stick and tickling his taint with her fingernails.

Man, I hope Ofsted don't arrive now!

"HE SLAPS HIS COCK INSIDE HER CUNT AS KIRSTEN PRIES ASA'S PUSSY LIPS OPEN WITH HER FINGERS"

Joining her cute counterpart, both girls are now on their knees, spitting all over Randy's cock. Holding both heads over his groin, Randy tilts his head back and spews, "It's good to be the king!" Rising up from between his legs, the trio engage in a tongue-flicking kiss that has all three participants smiling.

Deciding who to fuck first, Randy positions Asa on the edge of his desk. Peeling her panties down with his teeth, he slaps his cock inside the contours of her cunt as Kirsten pries Asa's pussy lips open with her fingers. Grabbing him by the collar of his vest, Asa grinds her hips into the professional, locking her eyes onto him with razor sharp precision. "Show me how much you want me," Asa says, locking lips with Kirsten before the girls switch positions. After sturdy fucking that leaves the girls panting, Randy smears his slosh across Kirsten's stomach, urging pretty Asa to lick it up. She does!

Going full steam ahead with their moneymaking 'tutoring sessions' and the promise of a 4.0 GPA from the naughty Dean, Kris' world is happy and secure once again. Celebrating his new lease on life, a wild orgy ensues in the library, whereby ten horny co-eds go at it like cats and dogs.

Ending with the infamous button-up shirt, slick glasses, slide-across-the-floor dance, Kirsten Price ends the movie in style as she shimmies and shakes for Kris Slater. With a clever new remake of the rock n' roll classic *Old Time Rock and Roll*, Kirsten looks dynamite. Proving her porn star worth and the sexual humour of this incredible project, *Unfinished Business* earns an A+ all the way!

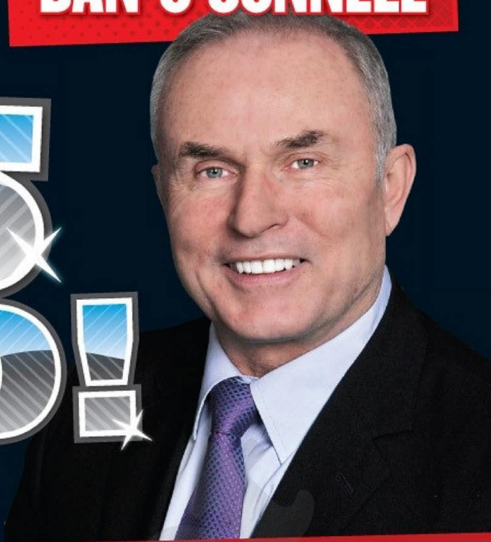
DAN O'CONNELL

GIRLS ALLOWED!



GIRLFRIENDS FILMS HAVE TAKEN THE INDUSTRY BY STORM WITH THEIR INNOVATIVE ALL-GIRL APPROACH OVER THE LAST FEW YEARS. THEY'VE CARVED OUT A BRAND NEW NICHE, WON AWARDS GALORE… AND A LOT OF IT IS THE WORK OF ONE MAN. WE SPOKE TO GIRLFRIENDS HEAD HONCHO DAN O'CONNELL – CHECK OUT PART 1 HERE, THEN PART 2 NEXT MONTH WHERE WE ALSO SHINE THE LIGHT ON SOME OF HIS FAVOURITE STARS…

Okay, who's riding shotgun?

Hi Dan. 2012 is Girlfriends Films' 10-year anniversary – many congratulations! Did you ever think you guys would still be around now, or achieve the success you have?
When Girlfriends Films started out, lesbian was a relatively small video niche and had very few titles on the store racks. I thought we'd be a good niche player – perhaps moving to the top of the lesbian genre – but no, I didn't foresee us coming one of the biggest studios in the industry. Never for a moment did I really think that we'd become one of the top companies in the adult industry.

Was it always your plan to make only lesbian-themed pornography?
I've never considered shooting boy/girl, and Girlfriends Films will remain solely a girl/girl company. I just find girl/girl to be much more erotic, not just because two girls are involved, but because there is a certain taboo about it that I picked up by going to Catholic schools. For me, sex is much hotter if it contains that 'forbidden' element as well as a good seduction.

"FOR ME, SEX IS MUCH HOTTER IF IT CONTAINS THAT FORBIDDEN ELEMENT"

It is well documented that GFF choose girls who know each other and are genuinely bi-sexual. Was this a conscious decision?
No, it wasn't. Fortunately, there were far fewer straight girls doing 'gay for pay' when we started shooting ten years ago, and just about all the performers we used liked having sex with other girls. A few years later, however, more straight girls started moving into lesbian porn. We had some horrible scenes that I've never published. It was then that we really started paying attention to the models' sexual orientations.

Many congratulations on your XBIZ 2012 Man Of The Year award in January. What drives you to work so hard?
Being selected as the adult industry's Man Of The Year is the highest award I can ever receive! It just doesn't get any better than that. I still live a very simple life like I did before Girlfriends Films success – small house, modest office, inexpensive clothes – and months later I still don't feel like the Man Of The Year. But I'll take it!

Game of ping pong, anyone?

I probably wouldn't work so hard if I didn't get to hang around these beautiful girls and watch them have sex. How can one not work so hard in such conditions? But while I'm on every one of our movie sets, most of my job concerns the business side. That's part of the price one must pay for owning their own movie studio and getting all the associated perks. Obviously, the expectation of making money drives me pretty hard, too.

I've read that you still run a very small team and write the scripts, drive the truck, direct and, along with your two female crew members, shoot the content yourself. Now that GFF has become so successful, are you not tempted to hire someone to do some of that stuff for you?

> **"MY FAVOURITE MEMORIES ARE THE GIRLS AND THEM HAVING SEX WITH EACH OTHER"**

We've had some of the performers write and even direct movies for us. But none has come to the forefront when it comes to taking over a significant amount of the 30-plus three-camera shoots that we do each month. I am still looking for the person who understands what we do here at Girlfriends Films and can make at least a few movies every month. But it does scare me to hand even basic duties over to someone else. My crew has a great deal of respect for me getting my hands dirty and working as hard as I do every day.

Over the last decade, you have shot some of the hottest women alive. Do you have a favourite performer?
Deauxma, RayVeness, Heather Starlet, Magdalene St. Michaels, Lily Carter and Zoey Holloway are great examples of my go-to girls when I need someone to do a great job of acting out a certain character in a story line. In regard to personal relationships, I always look forward to hanging out with Heather Starlet, Elexis Monroe, Julia Ann, Zoey Holloway, Syren DeMer, India Summer, and the recently returned Veronica Snow. When it comes to getting a great sex scene, my no-fail girls include Sinn Sage, Bree Daniels, Elexis, Deauxma, Lily Carter, Zoey, Prinzzess, and Veronica Avluv. And I must mention that – on all fronts – I am becoming very fond of new girl Angela Sommers. You may not recognize some of these names as I tend to avoid girls once they become over-commercialized and possibly become more concerned about things other than their performance.

You've made numerous sex series over the years, including *Women Seeking Women* and *Pin-Up Girls* – do you have a favourite?
My own favourite series are pretty much determined by story line which – in many of our series – continues from one movie to the next, similar to a television series. *Please Make Me Lesbian* is at the top of my list. It is a dark, film-noir story about the tangled and twisted sexual relationship between a step-mom and her step-daughter. And it involves their friends and family members. The two lead characters – played by Zoey Holloway and Lily Carter – are both nut cases and make the series quite entertaining. Zoey is bi-polar and Lily is a man-hater. I must also confess that I greatly enjoy the *Pin-up Girls* series, which features authentic period lingerie from the 1950's. My first pornography was the lingerie pages in the Sears catalogue. Some of the favourite days of my childhood were when a new catalogue would arrive.

Is there anything that you just wouldn't shoot?
We don't shoot under-age girls, of course. Despite what some people might say, nobody in the industry does so. The occasional child pornography case that you hear about always concerns a one-person nut job, far removed from porn valley. Girlfriends Films doesn't show degradation, violence or smoking as I think that would send a bad message. I am a great believer in education and we do have that theme in many of our stories. In respect to those artists who created the original production, I don't shoot parodies.

Did you strive to enter the XXX industry, or did it just happen? What were you doing pre-porn?
I was an independent consultant to banks and attorneys when I went back to school in my late 40's to learn

2012 annual XBIZ Awards
XBIZ Awards Man of the Year

WorldMags

documentary film-making. GFF actually got its start in a UCLA documentary film-making class with an unauthorized project that resulted in our first movie, *Lesbians Uncovered – The Naked Truth!*

We love it! Were you much of a porn fan before you got into shooting it?
Before getting into the business I enjoyed watching girl/girl porn. I was pretty much your regular fan – not watching it every day, but enjoying it at least a few times a month. I was always curious about how porn was made and, when the opportunity came to make it, I didn't let it get away!

Can you remember your first shoot?
My first shoot was a solo masturbation scene with a very hot girl. It was her first time, too, and I was probably more nervous than she was. I shot it at my house and lit the room very romantically with lots of candles. While it looked great, I got feedback that suggested more people wanted stronger lighting so that they could see the private parts more plainly.

And what was the very last thing you shot before this interview?

> **"I'D LIKE TO MAKE A MAINSTREAM R-RATED MOVIE. ABOUT LESBIANS, OF COURSE"**

I just shot Angela Sommers and Cherie DeVille for our *Girls in White* series. As lesbian debutantes, they go home after the pageant – both dressed in their long, white pageant gowns – and have wildly romantic sex just after having met that night. Angela quickly falls in love with Cherie and – in all the excitement of their new relationship – even mentions the possibility of marriage to her. Though Cherie seems to respond with equal excitement and accepts Angela's invitation to go with her to the opera the next weekend, Cherie will stand her up and Angela will be devastated. But to let you in on a secret, I've ordered a lesbian cake-topper for their eventual wedding, so you can be sure that this story isn't finished yet.

What aspirations do you still have?
After being selected the XBIZ 2012 Man Of The Year, there are no other achievements that would give me greater pleasure. I would like to make a successful, mainstream, 'R'-rated movie, which would be about lesbians, of course.

As one of the biggest charity supporters in porn, what drives you to keep raising money and awareness about the problems within the adult industry?
I'm a big believer in our industry. We are here to give people pleasure, not to hurt or rob anyone. As far as ethics and the public good are concerned, I do think that Girlfriends Films is a more ethical and socially-positive entity than most other corporations, especially banks, financial service companies, attorneys, war contractors and the like. We pay our bills quickly and treat our employees and performers like they are gold. We have a green footprint and make products that are purely intended to add pleasure to peoples' lives. We also give to many charities that help groups outside our industry, especially the disadvantaged. I've travelled to many poverty-stricken countries and seen first-hand how poorly some people live. I'm probably the most fortunate person in the world and would feel horrible if I didn't help out. We don't take the money with us.

What's been your proudest porn moment?
Receiving the XBIZ 2012 Man Of The Year Award is my proudest moment. That took place this past January 10^{th} in Santa Monica, with a few thousand people in attendance. Fortunately, this business has given me lots of proud moments. Some of these moments come from getting good reviews, helping build a great company, fan feedback, employee accomplishments, and my growing bank account.

And your favourite memory?
My favourite memories are mostly of the girls, their bodies, and them having sex with each other. What else would it be?

Do you have any funny on-set stories you can share with our readers?
While I don't have any kids, the crew and I initiate every new girl on set by asking her if she wants to shoot with my daughter while I direct. If she's OK with that, we go through another lie or two, that may eventually lead to us telling her that my brother and I are teaching my daughter how to DP (double penetrate). I know, it certainly isn't the most tasteful prank, and might even be considered demented, but we always have fun executing it!

EVE

Eve Angel is no stranger to the pages of *Club DVD*, and there's a reason for that.

"I get the best letters from *Club DVD* readers," she reveals. "I get letters from all around the world every day, but you British guys have the filthiest minds and wildest imaginations. And you're the most generous with gifts as well – although most of the underwear I get sent isn't my size."

So what do you do with that?

"My girfriends get to pick what they want – we have an underwear party that usually gets out of hand, and the rest goes on eBay and I give the money to charity."

That's very laudable, Eve, but why don't you tell us more about this underwear party...

Young Harlots - Naughty Tutorials

As I've explained before, my job is far from normal. Therefore, many of life's sayings don't really apply when it comes to my day to day work. For example, when I was told I was having to visit another Gazzman *Young Harlots* shoot, the phrase 'familiarity breeds contempt' might have been appropriate… but nothing could be further from the truth. In fact, I'd say more like 'familiarity breeds addiction' due to the quality of filthy women that Gazzman assembles for this series! However, even by the usual standards the girls involved with this, the *Naughty Tutorials* were something else. Not only was I about to witness a full girl on girl scene that involved Brooklyn Lee and Shay Hendrix, but the prospect of seeing the incredibly cute Linet Slag get fucked was something I was particularly looking forward to getting familiar with.

Not only has Linet got that perfect girl next-door look, but the perkiness of those big tits on such a slim frame is a combination that's hard to beat. Just seeing her mill around all innocently, chatting politely to everyone before her scene was enough to arouse even the coldest of cocks. Once she was then stripping naked before dipping into a deep bubble-bath, well, my mind was blown!

Starring: Victoria Blaze, Linet Slag, Brooklyn Lee, Shay Hendrix, Ruth Medina, Kristina Crystalis, Danny D, George Uhl, Kai Taylor, Seth Strong.

Ms. Bang is a woman fully aware of her assets and spent plenty of time making sure her nipples were rock hard before soaping her tits luxuriously in the bath. Meanwhile, I manoeuvred awkwardly behind the main camera, tripping over wires and drawing a few exasperated sighs from the crew as I stumbled to get the optimum view. To be honest, though it was worth being an irritation for a couple of minutes, as I now had a direct view of Linet's perfect arse as she raised it up slowly from the bubbles. This was clearly the

cue for the very familiar 'headmaster' of the Young Harlots academy, George Uhl to enter, dildo in hand and begin typically abusing his position of authority, by shoving it in the more than inviting entrance.

He then took out his dick and encouraged her to do some sucking. Seeing his cock disappear into her mouth, as her cute dimpled cheeks sucked in and out, seemed to even be a little too much for our irresponsible headmaster and he quickly withdrew and stepped into the bath behind her. After a few thrusts into her pussy, it was obvious that her perfect bum was just too tempting and after withdrawing the dildo slowly, it was soon replaced with his throbbing length and with a loud moan Linet started to push her self back against it.

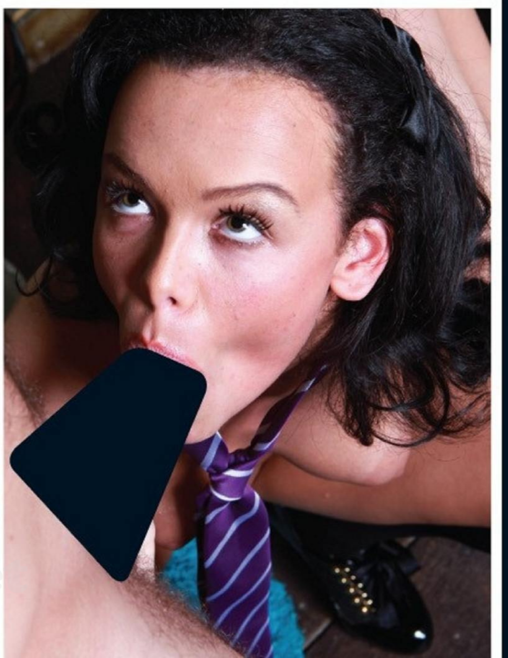
> **"HE BEGAN TO DRILL BOTH LINET'S HOLES RELENTLESSLY UNTIL HE WAS READY TO CUM"**

It was then that we were treated to the shot of the day, as he sat in one of the leather chairs, brought her round in front of him and she mounted his cock with her arse once again, opened her legs wide, so we got a full frontal shot of both holes and then rode him until she was screaming the place down. I even had to look away for a second, to re-focus a little, as I could feel myself starting to sweat from the intensity my brain was giving to the image in front of me!

If that wasn't enough she then dismounted, in order to suck and lick his dick once again, taking a moment to run her tongue across his balls. Back on top with her pussy this time, she was now grinding so hard on him that it once again reminded me why only certain men are cut out to be in the porn industry, as even with all this punishment, I could tell he still had plenty left in him before he delivered his load. I was proved right as he positioned her roughly across the bath and began drilling both holes relentlessly until he was ready to cum.

When he finally did, it was done so in spectacular fashion all over Linet's incredible chest, before she then grabbed his shaft one more time to clean up every last drop with her sexy mouth pouting directly at the camera and, of course, through no choice of her own… me! I did feel like telling her, don't worry love I'm a 'regular' to these shoots, but a) it's pretty obvious she doesn't mind who sees her behaving like a slut and b) I had to run to the next shoot that involved Kristina Crystalis, yet more dildos and three more of the school's 'teachers'. Like I said, it's one routine part of my job that it's difficult to get sick of!

Who are you calling a slag?



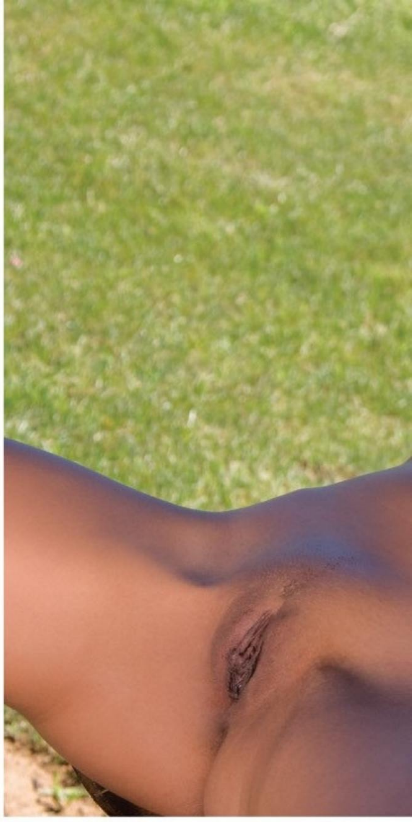
DANIKA

Asian-American porn star Danika has been on the radar of anyone who likes the region 3 babes for a while now, although she says she's a bit tired of being cast in 'Asian-themed' porn films.

"It's a bit reductive," says the obviously educated hottie. "Porn companies are a bit dumb, so everything is 'black' this or 'Asian' that. And then if you look over 25, you're a MILF."

Ever thought of quitting?

"I get paid to lick pussy and get fucked by guys who are really good with their dicks. I'd be crazy to quit! I guess I'll just have to swallow my pride. And some other stuff too!"



DANIKA

VERONIKA

We've had girls with all kinds of kinks in *Club DVD*, but Veronika is the first babe to tell us that she only likes short men.

"I don't know why, maybe it's so I can dominate them, or maybe it's something else entirely, but I'm really only into men below 5'8". Tall guys just don't turn me on."

So who are your current favourite short men? Ronnie Corbett? The Time Bandits?

"It'll sound strange, but I really find Tyrion from *Game of Thrones* to be sexy. He's short and he's clever. I know, I'm a pervert!"

CONFESSIONS

A RETRO-

Got a filthy tale or two to tell? Get it on an e-mail to clubdvd@paulraymond.com and you could earn yourself a sweet £100! And you can send us the snaps too!

I'm Jennifer, I'm 24, and I've just come back from the horniest holiday of my life. Peter, my boyfriend is a businessman – he does OK for himself, but one of his old mates from school, Ben, is minted. They both turned 30 this year and Ben invited us to join him on holiday to celebrate.

I won't say where we went, just that it was hot and we were staying in a beach house that Ben had rented for the week. It was totally private – all us girls were sunbathing topless from day one, and when one woman went bottomless, to avoid tan lines, we all followed suit.

It was a bit of a shaggers' paradise as well – Peter seemed to have a permanent boner for me, and it was pretty clear that some of the couples were switching and swapping, including Ben and his girlfriend, Maria. Mostly, all that was confined to the rooms, at least until after dark, but there was just this sense of debauchery.

> “MY LABIA SWELLED AS HE TEASED THEM”

On the night of Ben's actual birthday, there was a themed fancy-dress party – '70s Retro-Sexual'. Just a pun and most of the guys played it for laughs, but there were quite a few half-naked bodies too. I went 'dolly bird' in a long, blonde wig and a crochet jumpsuit I'd found online.

I'd worn a G-string bikini underneath, so it looked like I was naked from the back. And when I posed for pictures and danced with the birthday boy, he copped a good feel of my arse. He kept on giving me smouldering looks all night, only half-joking, and I was flirting right back. A few drinks later, he sidled up, one hand on an arse cheek and the other cupping a tit, as he told me that, of all the women here this week – and he'd already shagged “most of them” – I was the one he fancied most. When I asked him what he wanted for his birthday, he said, “To lick your cunt out.”

I peeled off the fake gigolo 'tache he was wearing, so he accused me of having a, “massive 70s bush” and insisted I prove I didn't, even though he'd seen my full Hollywood wax by the pool during the week. So he led me to a shady part of the garden. I looked around for Peter – and saw him dancing a bit too close with Maria, by the pool. I didn't feel jealous, just that he couldn't say a thing if I messed around with Ben.

We started snogging, his hands squashing and mashing my tits, fingers feeling for my nipples through my bikini top. I reached around and undid it, my teats poking through the holes in the mesh as I pulled it free. I managed to undo the bottoms too, and moaned as Ben's fingers crept to my crotch. First, he rubbed me through the jumpsuit and I felt the mesh against my labia and clit as he diddled away. Then he slipped a couple of fingers through the holes, sliding them into my cunt.

“How wet are you?” he moaned, then snogged me again, pumping deeper as his tongue probed my mouth. Then I yelped as they sank even further in – he must have ripped the fabric.

“Whoops!” he said, kneeling down for a look, but that didn't stop him pulling on it, snapping the threads one at a time till he'd made a big hole over my entire pussy area. As he teased my labia they swelled even more, framed by the edges of the mesh, then he parted them and started lapping up and down my slit, before thrusting as much of his tongue as he could into my cunt.

I bit my lip, trying not to moan as his fingers found my clit, rubbing it from both sides and on the nub. Then I just went with it, thinking all the other guests must be pissed, or playing their own games. That worked until Peter came wandering towards us, drink in hand, maybe looking for me. I tensed, which stopped Ben mid-stroke, only for him to pull away and yell, “Oi, Pete!”

Pete did a double-take, chugged his beer in one then came over. As he watched close up, I grabbed his hand, putting it on my tit, but he guided it to his flies and unzipped them. I got his dick out and started wanking him as Ben went back to slurping away at my snatch, I soon had him stiff.

Now Maria turned up, looking like she'd just been having some fun of her own. I wondered was Peter just warming me up for her to get stuck in, but she just knelt next to him, reached in his trousers and tossed him. I was finding it hard to keep my balance, especially in my sexy platform shoes. Peter had the answer – he had me bending forward, arse in Ben's face and my pussy still peeking out of the rip in my outfit. Now he could hold me steady while I got eaten out and sucked him off.

I started gobbling away on Peter's length, hot and salty and seemingly all the tastier now we were putting on a show! Ben kept sucking cunt, but not quite as hungrily, then I heard Maria say if he wanted to screw me, he should just go for it.

> “I GOT HIS DICK OUT AND WANKED HIM”

I felt him get to his feet behind me, and she teased his prick over my arse cheeks. The mesh was stretched tight over them, little cushions of my firm flesh poking out between them, and she asked me did I want to feel him inside my pussy.

I moaned yes and she asked me again, making sure, before guiding him in

of -SEXUAL!

smooth and easy. Now he grabbed my hips, pulling himself in deep and stirring his prick around. He fucked me strong but steady, letting me focus on sucking Peter's cock, holding back, stringing out the pleasure.

Peter didn't have as much choice about setting the pace. He reached down groping my tits so my sucking felt even more intense. Then I felt his body stiffen as he hit the brink, trying to hang on for as long as possible before the first jet of his spunk burst over the back of my tongue and throat.

I took another pump, then let him spurt the rest all over my face and tits, moaning and squeezing my snatch around Ben's shaft. Then as Peter pulled clear, totally spent, I grabbed my own ankles and let him bang me hard and fast, crotch spanking my arse until I felt another explosion deep in my cunt.

"Did you cum yet?" Maria asked, fondling my boobs. I didn't get a sense of her being up for going next, just that she was keeping me on the boil for my next fuck.

"No," I whimpered, suddenly desperate to orgasm, but wondering how far I wanted to take this.

"What happens here stays here," she said, so I decided to trust her and go along with whatever came next.

That turned out to be Martin – one of the quieter guys, who'd seemed a bit flustered when he'd walked past us all sunbathing nude. But now, with a couple of drinks in him, and a bit of fluffing from another female guest, he laid back on a sun lounger and let me straddle his fat prick.

He seemed content to let me ride him, gazing at my tits as they bounced above him. Then he pulled them out of the top of my jumpsuit. He started kneading them hard and I bowed forward, giving him a faceful, then squealing as he clamped a sucking mouth on one of my nipples.

> **"HIS SPUNK BURST OVER MY TONGUE & THROAT"**

Now I was finally feeling an orgasm start to build so I reached down, slipping a couple of fingers on to my clit. Suddenly it hit, my snatch snapping hard around Martin's cock, just before the waves shuddered through my body.

I thought maybe we'd sparked off an orgy but things actually quietened down after that, and Peter led me off to bed. Sure, we heard people moving from room to room and the sound of plenty of action, and someone knocked on our door at one point, but Peter yelled "Not right now…"

He was halfway down the bed, fingers lubed with spit and pussy juice as he warmed up my arsehole, and he wasn't letting any other dick up it just yet!

One of my clearest memories is catching sight of myself in a full-length mirror on the way to our room – blonde wig, my face all smeared with spunk and what was left of my make-up, and my crotch hanging out where the fabric had torn. It felt a bit unreal, like I was looking at someone else, but I sort of liked it!

I promised Maria I'd stick to the "What happens here stays here" rule, but she said it's OK to write to *Club DVD* if I change the names and leave out other details. I don't really know what to add, my head's still spinning and my pussy's throbbing even now we're back. Maybe it was just a one-off experience, but I'll hang on to the costume just in case – peek-a-boo holes and all!

CANON IXUS 125 HS

The various incarnations of the IXUS have become a nice staple of those who want a point-and-shoot that is both small and performs well. It seems that Canon realise this and have not only made it even smaller and more lightweight but also, as well as classic silver, have released it in a pretty stylish red and a real female magnet pink.

The fact that it's so small inevitably means it isn't likely to perform to the level of Canon's high-end range, and is instead more for those who want the camera to do the work, whilst being held in one hand… in whatever situation they may find themselves in! Despite this though, the colours are bright and sharp and it still has the capability to capture HD video at 1080p or 720p. Add in a few nice filters for the recently Instagram-obsessed world and this could be a winner.

Pros: Size and weight.
Cons: No manual control for filters.

CREATIVE LABS SOUND BLASTER RECON3D

Okay, if you're a serious gamer you may immediately want one of these headsets, but think on if you actually then want any live, breathing woman to have intercourse with you after seeing you wear this. Clearly attempting to be the nerd-leaders in gaming accessories, Creative has included everything in this headset, including Scout Mode that brings the sound of approaching enemies to the forefront, THX Surround Sound and noise-cancelling microphone and, well, basically every other phrase guaranteed to pique a geek's interest. Add to this a design that's emphasis is on impeccable comfort ready for those epic *Modern Warfare 3* sessions, and even the ability to adapt the sound quality for the game you're playing and Creative have left no stone unturned in creating something close to the ultimate headset. The only issue will be with both the price tag and whether as a human being you have really given up on the outside world and shouting at unknown people on the internet whilst bullets whiz past you is your new reality.

Pros: Great 3D sound. Comfort and design.
Cons: THX can be a little bass heavy.

HTC ONE X

Ten years ago if you'd asked the average person about HTC, then they'd probably think you were talking about some sort of sexually transmitted disease, but now they're almost a British institution to those still resisting the Apple lure. With the One X it seems that they have decided to actually release the ultimate iPhone killer, due to it not only packing Nvidia's awesome quad-core Tegra 3 processor, but having a huge 4.7in screen and the kind of design that even the most hardened ergonomics snob would want to fondle! The mighty processor means that both games and 1080p movies run as smooth as butter, and add in the fact that the 8MP camera has been built from the ground up, producing very impressive results, and you may have currently the ultimate smartphone to slap on the pub table!

Pros: Powerful processor. Phone build. Super-fast web-browsing.
Cons: No option to expand the memory.

We like to embrace the future here, and in this post-PC world it's nice to see a company challenging the dominant Mac Mini with a media centre that not only looks amazing, but performs to a standard that could lead the charge into the next era of home entertainment. Even smaller than the aforementioned Mac Mini it comes equipped with a built in card reader, USB 3.0 ports, Ethernet ports and HDMI – the only slight niggle being that without an operating system you'll probably want to add in your own copy of Windows for a few extra quid. It's 64GB SSD will obviously fill quickly too, but in tandem with a networked storage device you'll be streaming films and music effortlessly. The fact that it also includes an AMD Fusion processor means gaming is faster than a typical Intel and you're that not far off a fully functioning power PC inside a tiny little tin.

Pros: Price. Size. USB wi-fi adaptor.
Cons: No optical drive.

LOEWE AIR SPEAKER

Companies are fully aware that Apple are like the prom queen of technology, and that if you really want to look good at the ball, you'd be best to take them with you. Therefore, Loewe's latest Air Speaker comes equipped with Apple's AirPlay technology and, perhaps more importantly for today's image conscious world, beautiful, minimalist design. Able to stream sounds easily from any iOS device or computer running iTunes, both wired and wirelessly, the audio quality is exceptional making it a direct competitor to the similar speaker systems from high-end brands like Bang & Olufsen, but to be fair it does have a price tag that would suggest that… aka a bloody expensive one! However, in the days when people will spend £300+ on a pair of gaudy headphones without batting an eyelid, then a stylish, quality sounding speaker shouldn't prove a problem, and is perhaps the most pure and simple accompaniment to your growing array of Apple products.

Pros: Design. Simple to use. Great audio quality.
Cons: Expensive. No non-Apple streaming.

YOUNG HARLOTS: NAUGHTY TUTORIALS

(Harmony)

Back to the most unrealistic school in the world (and one that I can't seem to find on Google maps), and one with 100% attendance. After all, who'd miss a lesson that involved Shay Hendrix (wearing an eyepatch), Brooklyn Lee and Ruth Medina stuffing toys into each other's twat and wielding strap-ons? Someone should have a word with starlet Linet Slag about her chosen porn name, but there's no denying the anal pounding she gets here. A gold star to Kristina Crystalis as well for her DP. See our on-set exclusive on page 44.

TREATMENT LIKE THIS ON THE NHS

9/10

Porn maths is pretty simple, and dirty plus anal multiplied by nurses equals a pretty amazing wankfest for any viewer. We're not sure any of the nurse outfits here are regulation NHS gear, but then again, we don't reckon the girls on the geriatric ward at your local hospital do the kinds of things Madison Parker and Angelica Heart do. Wiska does a DP – we assume it's two doctors taking her internal temperature – while Eve Mendes and Roxy Panther blitz their way to the bottoms of a patient's balls in a scorcher. Pass the sick note.

An all-anal instalment packed with Euro babes? Yes please. It's always amusing that 'teen' scenes often involve little more than twenty-something porn stars wearing socks and putting their hair in bunches, but see past that and this has plenty to pleasure your pecker. Blonde sorts Yasmine Gold and Nesty, Missy Nicole and Angelina Crow, lovely ginge Christine Diamond portioning out a prick with Tanja, and Sugar Baby and Szofya Cox are highly strokeable too. Two girls sharing a bloke and then going, "Yeah, why not put it in our bums?" That's always a winner.

WWW.GINAHOTWIFE.COM

Ever since Wifey changed the game, amateur porn has been a goldmine for women with a decent camera and a broad outlook on sexuality. But there are so many now, how do you differentiate yourself? Luckily, Gina Monelli is hot, which is rarer than you'd think, and she does hardcore (including anal and watersports), which as far as we're concerned is a basic minimum. None of this endless tease with toys, or girls who don't get topless. She also has fit porny friends like Carla Cox. The downside? She's a bit mean with the content. 45 movies isn't enough. Come on love, have some more sex and be quick about it.

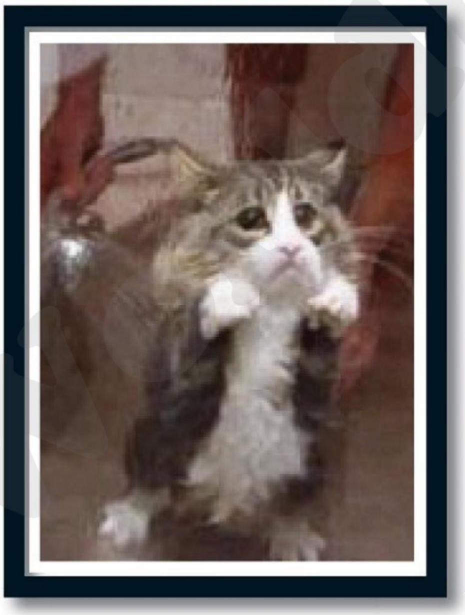
Pass these off in the pub as all your own work...

What's the difference between bandanas and tampons? Bandanas are for arseholes.

A vain man says to his wife, "Every time I look at myself in the mirror, I get a hard on!" His wife sighs and replies, "That's because you look like a cunt."

A man phones his office claiming to be ill. "I'm sorry but I can't come in today," he tells his boss, "I'm sick." His boss replies, "Well, just how sick are you?" The man thinks for a second before replying, "Well, you be the judge – I'm in bed with my sister."



What's the only animal with an arsehole in the middle of its back? A police horse.

If the dove is the bird of peace, what is the bird of true love? The swallow.

A bloke went to the dentist and asked the receptionist, 'Could you tell me how much teeth extraction costs, please?' The receptionist replied, 'That would be £95, sir.' The man is astounded, 'Ninety-five pounds? To take out a couple of teeth? That's disgusting!' The receptionist looks at him and says, 'Well sir, I could make it cheaper if you didn't have the anaesthetic injection, I suppose. That would bring the cost down to £45.' The man sighed, 'It's better, but it's still too expensive. I'm not paying that!' The receptionist tutted and answered, 'The only thing I can think of, sir, is if you didn't have any anaesthesia at all – that would be very painful and I wouldn't recommend it, but it would bring the cost down to £35.' The man shook his head, 'It's still too much. Is there nothing else you can do?' The receptionist, losing her patience, says sarcastically, 'Do you just want one of the students to do it out the back for you, for a tenner?' The guy finally looks happy and says, 'Perfect! Can I book my wife in for next Monday, please?'

What does a grapefruit have in common with a pussy? The best ones squirt when you eat them.

What's the difference between a pub and a clitoris? Most men have no trouble finding the pub.

What's grey, sits at the side of the bed and takes the piss? A dialysis machine.

A bloke owned a small business and with the recession closing in, it was in financial difficulty and in danger of going bust. Being a religious man, he decided to go to church and pray about it. "Dear God, please help me! If I don't win the lottery this week, I'm going to lose my business!" He was disappointed that weekend when he didn't win. A few days later, he got a final demand on his car payments, so went back to church. "Dear God, please help me! If I don't win the lottery, I'm going to lose my business and my car!" Again, when the lottery numbers came up that Saturday, he was disappointed that he didn't win. A few days later, he received a final demand on his mortgage payments, so again, went to church to pray about it. "Dear God, I need to win the lottery or I'm going to lose everything – my business, my car and my house. Why won't you help me?" Suddenly, the church was filled with a glorious light and the man heard God's voice booming all around him, "Buy a fucking ticket, will you?"

A man is incomplete until he's married, and then he's finished.

Ask Em

Our very own bondage queen just loves to be of service. And if she can't be there to fuck you in person, then at least she can help solve your saucy sexual dilemmas! So send 'em in and let Em at 'em...

Dear Em,

My girlfriend and I have a great sex life, but there is a bit of a problem. When we get down to it she sweats big time and I find it a real turn-off. We're not talking a soft 'glow', like some women get – within seconds of foreplay it's like she's played a game of squash, and by the time we get down to the actual fucking, she looks like a drowned rat. I can only ever shag her in missionary position, too, because if she's on top I feel like I'm having a really smelly shower, in bed. I don't want to hurt her feelings, but I can't go on like this. What can I do?

Drowning, Liverpool

There are a few places that spring to mind, where it doesn't matter how much your lady sweats – for a start, why not trying getting down and dirty in the bath? Or, if you're feeling a bit adventurous, wait till it's raining one evening (you shouldn't have to wait too long) and go for a bit of frisky al fresco fun? Where the bedroom's concerned, however, I feel your pain. Your GF isn't going to be unaware of her perspiration problem, and she's probably a little embarrassed, so be gentle but do talk to her about it – it may be a little less uncomfortable for you. I'm sure she has invested in all sorts of anti-perspirants, but she may want to visit her GP and see if they can suggest any products or treatments. There is help available, you know!

Did you bring the can of coke?

Hi Em,

Please help 'cause I don't know who else to ask about this. My girlfriend and I have been together for 7 months and we've just started having sex. I've used condoms every time, but she says she doesn't like the feel of them, that they make her feel itchy inside and she wants me to ditch them. She also told me that if she washes her fanny out with cola after we have sex, that she won't get preggers. Is this true? Thanks.

Ty, County Durham

Oh my. How old are you, Ty? Are you sure you're old enough to be in the possession of a wank mag, honey, because you sound about 10! Cola? I hope that this letter's a wind-up, I really do, but just in case… No, it certainly is not true, but an old wives' tale that I first heard before I even hit puberty! As far as I'm aware, the only thing that cola gets rid of is the enamel on your teeth! Talk to your missus about different contraception options – the pill, the coil, NuvaRing and the cap are just some of the alternatives to condoms – and go with her to your nearest family planning clinic or GP. A supportive BF makes for a happy GF and a happy GF often means BJs, if you're lucky!

Dear Em,

I've got a weird fetish-thing going on but I'm not sure what it is exactly so I thought I'd email you, 'cause nothing seems to faze you. Most of my life I've been stealing – robbing from strangers, shoplifting, nicking cars, that sort of thing – but when I was about 15 I realised it turned me on and it's been getting worse as I've got older. I know it makes me sound like a freak, which is why I can't tell anyone and I know it's bad. I always got a thrill out of being a bit of a bad boy – when I was a kid I'd nick sweets from the local shop and it'd give me a right kick – but when I started to get into serious robbing I noticed I'd get a boner while I was doing it. Then when I started breaking into houses I got an urge to have a wank real bad and then it got worse still – I robbed a postvan a couple of months ago and I was doing some doughnuts and shit in it, when I came in my pants without even touching my dick! What the fuck is going on with me Em? Even if I wanted

to go straight, my sex drive won't let me and the only way I can get off is to go out and do something badass. Advice, yo?
Anon, via email

Well Anon, you may not realise this but you are suffering from a recognised fetish called kleptophilia – it is like kleptomania, as the name suggests, but the sufferer (you) gets a sexual pleasure from act of stealing, not just the high of getting caught, as the kleptomaniac may feel. It's obvious from what you say that you aren't managing your sexual desires but giving into them, so I would strongly urge you to seek out a therapist who can help you with how to deal with your feelings and compulsions. It also may interest you to know that there are fetishists out there on the other side of the fence; hybristophiliacs have the desire to shag criminals and 'bad boys', and sufferers of chremastistophilia get off on being robbed or held up. So although you do definitely need to get a hold on your sexual urges in day-to-day life, there's nothing to stop you role-playing!

Fancy the deep end?

Dear Em,
I broke my hip badly in an accident a while ago and have just started hydrotherapy. Unfortunately, my hydrotherapist, Simon, is a dreamboat and I can't stop fantasising about him. I say unfortunately because a) I'm 39 and he's about 25 and b) I've been happily married for 15 years and have 3 kids. Every time I see Simon, my heart flutters and when he touches me I just want to pounce on him there and then in the hydro pool. I think there's a spark between us, although I'm not certain, as he is very friendly to all his patients. Should I make a pass and if so, how should I go about it?
Di, Cotswolds

If I may be honest, Di, don't be a twat. You say you've been happily married for 15 years so why on earth would you want to throw it all away? I mean, you've passed the 7-year itch twice over, fuck's sake, woman! Go to your local sex shop and invest in a few toys and treats to spice things up sexually with your hubby – hopefully that'll stop your eyes wandering elsewhere!

Have you got a sexual problem? Don't take it out on a six-pack of Stella – write in to 'Ask Em' at Club DVD, 3rd Floor, 207 Old Street, London, EC1V 9NR.
